

SAFE 1

Visor solution for headband style hearing protectors

The SAFE 1 carrier mounts easily to any SECURE headband style hearing protection. Perfect for when you are switching between different work tasks in noisy environments.

The carrier is developed together with the hearing protector, fits perfectly and holds the visor firmly in place. The mesh patterned browguard protects against impacts and gives a comfortable air flow.

Hellberg's smart uniform design gives you a multiple choice of visors, that all fit perfectly to the carrier. Choose one of our ready-made combinations, or select your own combination of carrier, visor and hearing protector.

Features

- » Compatible with all Hellberg visor and all SECURE headband style hearing protection
- » Quick headband attachment
- » Well ventilated mesh patterned browguard
- » Slim profile design ensures good stability and balance

Visor range

Regardless of the work task or type of hearing protector required, you can easily find a visor for your needs. Thanks to the uniform design, the visor and carriers can be combined with hearing protectors and safety helmets, or be used as stand-alone visor solutions.
